Gentlemen:

I have received the shipment of a gross of ball, thanks for the same.

You wrote me April 5th, to say you had some baseball sweatshirts on hand, at a cost of \$2.00 each. I fell it is foolish to ask, but are they wool or part wool?. If not are there any wool ones available in any color, or at any price?

If not please let me know right away, and I will send you sizes.

I also want to find out if you will recover four and a half dozen baseballs. All of them your balls. I understand Spaulding recovered the balls for The Newark Bears this year, and I thought you might have that service. If so will you send me the address where I should send them. If possible I would like to know the charge also.

I will greatly appreciate hearing from you as soon as possible, as the team is already in camp. We open the league season here in Newark Sunday May 16th.

Very Truly Yours
